

FY 2022 Program Plan

as of 060221

Community Interest	Program	Confirmed Implementation	Planning, Research, Development, Conversion to Resource
20	Latino Heritage Live	Plan and design programs with one community.	Consider offering RFP for collaborative design and implementation.
16	Changing the Legacy of Race & Ethnicity	Create, fund, and design with partners four online, recorded programs. Includes creation of Conversation Toolkit using video edited from programs for extended community conversations.	Develop a pool of appropriate facilitators for community conversations following panelist programs. Develop two community conversations. Consider connecting one series to BHL program.
15	Regional Humanities Networks	An expanded SW CO Humanities Roundtable plan for a month of activities, share a calendar, and marketing serves as a model. Start with CH BOD online presenters with staff support to begin marketing and collaboration.	Durango, Burlington, Alamosa, Lamar, Greeley, Ft. Collins requested early help organizing meetings. Identify three communities by their readiness to host meeting (reach out and plan) to present network model and collaborate.
15	Native Americans	Focus CLoRE 6 on Native Americans	Meet with "Towards Right Relationship with Native Peoples" (program partner) to work together to bring the program to two communities for conversations
14	Democracy Labs		Identify at least one community (MOMS host, CLoRE, or other) to host a Democracy Lab. Reach out to statewide agencies supporting community development (DOLA, CHFA, CO Trust, CO Health Foundation).
14	Museum on Main Street	Host 3-4 "Change in Rural Colorado" conversations (see below) to maintain community interest and involvement until Smithsonian Crossroads exhibit is available (earliest possible is 2023).	Reserve with the Smithsonian any Crossroads tour available. Host sites will be invited first to continue. We may plan for a longer tour if available, since we would be the last state to host the exhibit August 2023 to May 2024.
13	Motheread/Fatheread Colorado	Colorado Springs, Denver, Western Slope, Ft. Morgan partners offer classes to parents. One 3-day Institute in Denver and one online Institute, Summer 2022. Continue certified facilitators' networking. Continue to engage stakeholders and decision-makers to scale the program up to district or other system level. Continue to support online delivery.	Continue to develop and refine online implementation guide. Further explore partnerships with libraries. Explore development of a grants program to support implementing agencies, e.g., 10 grants (up to \$1,500) for online or in-person series.
12	Conversations: War		Develop an ongoing workshop for publication and community conversations in one community.
12	Veterans Writing		Outreach to veterans service agencies. Interest in Steamboat Springs and Greeley in starting in-person programs.
11	Film: Five States of Colorado	Advisory group continues to help plan content and interview subject list. Preproduction and early production	Identify communities to host premieres and screenings followed by local panels to conduct conversations about issues pertinent to host areas.
11	Talking About Dying	Continue offering programs in communities near HealthOne and other medical provider partners.	Expand offering to healthcare systems outside Denver metro area.

Community Interest	Program	Confirmed Implementation	Planning, Research, Development, Conversion to Resource
10	Resources: Colorado Center for the Book	Continue offering financial and administrative support for CftB Speakers Bureau readings and offer recordings online.	
10	Resources: History	Gather reading and viewing resources and distribute on website and social media.	Redesign and revise Speakers Bureau. Create annual themes with existing and new speakers.
8	Young Chautauqua	Grand Junction, Greeley, Boulder, Estes Park, Colorado Springs programs continue under local leadership. Develop online coaching model and curriculum to offer teacher training and resources.	Plan statewide offering of online program to schools and districts. Survey potential districts for testing.
5	Colorado Encyclopedia		CH staff to continue participation in Governance meetings and monitor marketing and reach.
5	High Plains Chautauqua	Work with local Committee and new HPC Director to develop an in-person Chautauqua program.	Assist local Committee with transition of the program to local control by 2023.
5	Colorado West Chautauqua	Offer reduced support to community.	
4	Colorado Book Awards	Finalist readings and award event, all to be streamed online if in-person events can be held.	Outreach to creators of color to diversify entries, select and judges continues.
3	Black History Live	In-person tour with live conversations with presenter streamed online in February 2022	Develop new partners and audiences
3	Colorado Poet Laureate	Staff coordinate appearances when requested by Bobby LeFebre, gather reporting, support marketing. Podcast to be distributed by RMPBS.	Develop plan with Bobby LeFebre to implement community online or in-person visits for performance and/or community conversations.
1	History Live Durango	Durango area partners in humanities network implement program for the month of September with CH staff and marketing support.	
	Resources: Conversations	Continue to develop and post resources inspired by panelist conversation programs for communities to hold conversations on their own.	
	Change in Rural Colorado	CSU's Rural Economic Development Institute partner scholars continue to present and facilitate conversations and advise on design as we co-create with participating communities three other programs.	Design with communities a continuing series for 2022 that will also build audiences and resources for the 2023 MoMS tour.
