13	Motheread/Fatheread Colorado	3 ChildcareRead workshops (Parts 1 & 2) certified 45 early childhood educators and care providers, and 5 more workshops planned by the end of May in Yuma (2), Fort Morgan, Greeley, and Denver. Continue to offer coaching and implementation support to those who earn either certification. Begin developing master facilitators as regions build reach to accommodate training and coaching demands.	Evaluation with help of a consultant for ChildcareRead (CR) and longitudinal study of MFC students in 2012-2017 study to continue to show research basis for this work is critical to our standing with CDE. Consider discontinuing the program and converting its assets to a Resource.
